

THE GENÉE 2016 MEDALLISTS

New Italian CPD course

From 2017, **Technique and Choreography of Contemporary Dance** will commence in Italy as a new **CPD course**, worth **10 hours Time-valued CPD**.

The course will be based on the **Pigato method** – in-depth research in the field of movement. It uses ballet as a starting point for developing a wide range of contemporary dance elements and will conclude with observation of an advanced level class.

Running across two days, the workshop will take place from;

- 11–12 February, Verona
- 25–26 February, Firenze
